

# ALPINE FIRE PROTECTION DISTRICT

Regulations regarding the use of decorative lighting for occupancies other than R-3 private residential.

## 2022 California Fire Code

### **603.1.1** Equipment and wiring.

All electrical equipment, wiring, devices and appliances shall be tested; listed and labeled; and installed, used and maintained in accordance with the California Electrical Code and all instructions included

The section above is right from the California Fire Code 2022 edition. This applies to all exterior lighting such as Christmas lighting not rated for year-round use. On the end of the tag the label will state exactly that to be used only for 90 days.

This notice is for all businesses here in Alpine Community, please remove all interior/exterior decorative lighting currently installed as it is not permitted to be up for more than 90 days. There are several different manufactures of permissible light ropes that are allowed to be up year-round. These rope lights are heavily insulated and intended for permanent use.

Christmas Lights LED even not approved  
Year round and listed and approved

Heavy duty rope lights are  
allowed for more than 90 days  
installed.
